제 15회 국제수문총회(CHy-15) 에 전문가 지원 업무 수행

2. Relevance to APEC Climate Center’s Activities 결론 및 소감

- 4년 단위로 개최되는 WMO산하 국제수문총회(CHy)에서는 회원국들의 수자원 관리 및 평가에 관한 정책을 회원국들의 동의를 얻어 의결하고 있음

- 전반적으로 선진국들(미국, 영국, 일본, 러시아, 프랑스)이 회의 내용을 주도 하고 있으나 중국, 이탈리아, 터키가 활발히 의견을 피력하였으며 특히, 중국이 주도권을 가지려고 하는 모습이 많이 보였음.

- 반면 우리나라의 경우 기상청과 국토부 두 기관이 참석을 하였으나 합의된 의견이 준비 되지 못한 모습을 많이 보였으며 의결에 소극적으로 참여 하였음

- 향후 두 기관 사이에 통일된 의견을 가지고 CHy에서 적극적으로 의견을 개진하여 국익에 도움이 되는 방향과 계획을 수립할 필요성이 있다고 판단되었음.

GENEVA, 13 September 2016

Sir/Madam,

I have the honour to refer to my letter WMO-1430, dated 23 May 2016, informing you that the fifteenth session of the Commission for Hydrology (CHy-15) of the World Meteorological Organization (WMO), will be held in Rome, Italy, from 7 to 13 December 2016.

I would like to draw your attention to Regulation 21 of the WMO General Regulations dealing with the communication of the names of your representatives, which specifies:

"Prior to a session of a constituent body other than the Executive Council, each Member should, if possible, communicate to the Secretary-General the names of the persons composing its delegation to that body, indicating which of these shall be regarded as its principal delegate.

Besides this communication, a letter giving these particulars and otherwise conforming with the provisions of the Convention and of these Regulations and signed by, or on behalf of, an appropriate governmental authority of the Member shall be sent to the Secretary-General or handed to his representative at the session and shall be regarded as appropriate credentials for the participation of the individuals named therein in all activities of the constituent body."

In accordance with this regulation, I should be grateful to receive as soon as possible the names and addresses of the persons nominated as the representatives of your country, with clear indication of head of delegation and alternate head of delegation and to receive the credentials of your delegation in due course.

In the event of your country having already nominated experts as members of the Commission for Hydrology, it would be an advantage to the work of the session if these members could be included in the delegation of your country.

Regulation 190(a) of the General Regulations accords to all Members the right to propose additional items for the Provisional Annotated Agenda, preferably not later than thirty days before the opening of the session. The same regulation requires that explanatory memorandum summarizing the issues to be raised under the additional items should accompany such proposals.

To: Ministers of Foreign Affairs of Member States of the World Meteorological Organization (WMO-1434)

In addition, the Provisional Annotated Agenda and the explanatory memorandum for the session will be accessible through the WMO website as indicated below:

Open your Internet browser and go to <http://public.wmo.int> and click on "Events", then click on "Constituent body sessions" and finally click under "Commission for Hydrology (CHy-15)".

All participants who require a valid visa for admission to Italy should make their application for visas directly to the nearest diplomatic representation of Italy, together with a copy of the present notification. It is advisable that such applications be made as soon as possible.

In those cases where there are no diplomatic relations between a Member and Italy and in other cases where the former considers that some difficulties may be experienced in obtaining visas, a request to Italy for visas should be submitted through the Secretary-General of the World Meteorological Organization, as specified in Annex I to the General Regulations of the Organization. Such requests must contain all the necessary details (name, surname, date and place of birth, father's name, nationality, passport No., date and place of issue, expiry date, profession, place where the visa is to be issued and duration of stay in Italy) and should be received by the Secretary-General as soon as possible.

Other documents and information on the material arrangements will be available soon.

A copy of this notification is being sent to the Permanent Representative of your country with WMO and to his/her Hydrological Advisor, if appointed.

Accept, Sir/Madam, the assurances of my highest consideration.

Secretary-General
